GROUP INFORMATION RENEWAL PAGE

Group name: ○△□

Setting of user

Input your account in alphanumeric.

Do not assign the same account to another member of the same group.

Use of the account enables transmission of a message in the form of
“ account @ group ”.

User ID	User's name	Mail address	Account	Nickname		
10254	○○○	□□@ × × .co.jp	hoge hoge	◇□○	Correct	Delete
11865	△△	△○@ × × .co.jp	chome	△□	Correct	Delete

Addition of a user to the group

Fill out the following form with necessary information and
the click on the add button.

When clicking is made, the user addition confirmation screen is
displayed, and then, as soon as the user is added, a mail will be
transmitted to the user added.

User ID to be registered

User mail address to be registered

Account (in half-size alphanumeric)

Nickname for use within a group

※Entry of the mail address of the user to be registered is required
for authentication.

If the “Nickname for use within a group” section is left blank, the
nickname having been registered upon user registration is used.

Add the user
